

# LEGGO... LEGGO!

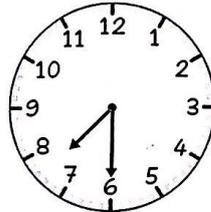

1 Leggi e scrivi l'ora che segna ogni orologio, come nell'esempio.

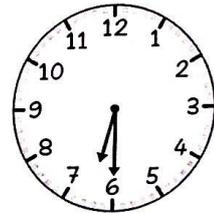

...3 e 5...

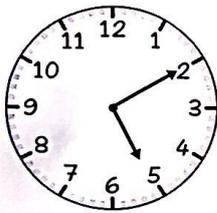

.....

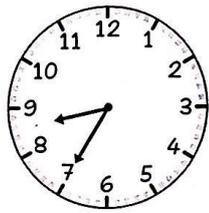

.....

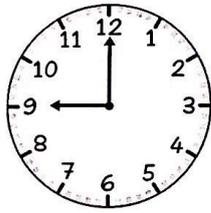

.....

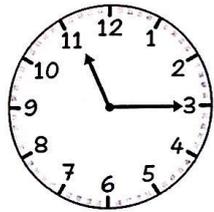

.....

.....

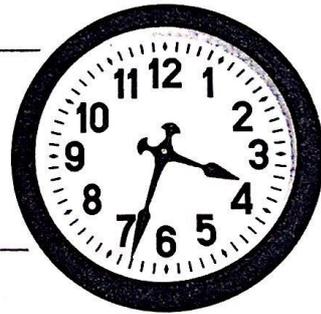

.....

.....

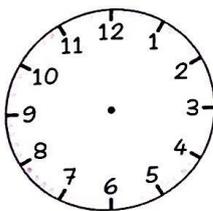

## GUARDA BENE!

Osserva un orologio nell'arco di un'ora: noterai che **più passano i minuti**, più la lancetta che segna le ore si avvicina al numero che indica l'ora successiva.

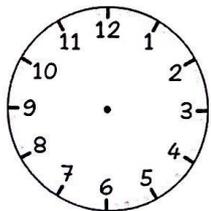

2 Disegna le lancette che segnano le...

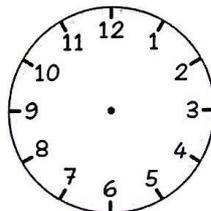

3 e 20

10 e 30

6 e 40

8 e 50
